

MyHealth Online - Adult Proxy Access

Adult proxy for MyHealth Online allows you to securely communicate on behalf of an Atrius Health patient who is 18 years of age or older. In order to obtain access, both the patient and proxy must complete and sign the Adult Proxy Authorization Form. The proxy's access is terminated when the patient makes a written or online request to terminate access, an expiration date specified by the patient is reached, or the patient revokes access from within their MyHealth Online account.

Adult Proxy Terms and Conditions

- The proxy requestor and patient must both complete and sign the attached Adult Proxy Authorization Form. If the patient is unable to complete this form, please call the number listed on the Atrius Health Site Location Information Sheet.
- Each proxy requestor must have an active MyHealth Online account but, does not need to be an Atrius Health patient.
- Each proxy requestor must submit one form per patient.
- Proxy access can be terminated by the patient at anytime online or by written request.

How do I obtain Adult Proxy access for MyHealth Online?

- The proxy requestor and patient must both complete and sign the attached Adult Proxy Authorization Form. If the patient is unable to complete this form, please call the number listed on the Atrius Health Site Location Information Sheet.
- The patient or proxy requestor can drop off or mail the form to the health site where the patient is receiving care or to the appropriate MyHealth Office listed on the Atrius Health Site Location Information Sheet.
- Upon receipt, requests are processed within 3-5 business days upon receipt. Once processed the patient is called to verify access authorization and then access information is sent via U.S. Mail to the patient.
